Summer collection '19

Our adventure took us to the stunning lonely beaches where we enjoyed the playful game of water, sun, palm trees and vivid greenery. The place where love begins, in the tropic nature and the climate of an eternal summer, on abandoned beaches with gorgeous soft white sand and azure sea, the stunning Maldivian island gave an extra glow to the Bonatti beach styling presented.

We all love to turn a special moment of relaxation and enjoyment into the eternal memory through modern photography. The Indian ocean combined with the Bonati beachwear collection has given us a real visual paradise to remember. The lavish sunbathed collection provides the colors and shapes that will be the absolute fashion trend of this season - from turquoise blue tones, through beige - green prints with delicate golden details, to attractive bright reds, all the way to the more classics, black and white or navy combinations.

It doesn't matter if you are a lover of one piece, two or three piece swimwear, bikini, push-ups or bandeau cuts, we believe that you will find the best appropriate swimsuit for yourself among our models for the summer 2019.
